Includes: one base, one top, one 2-piece pole, two pole holders, and one sign holder.

1) Set base up.

2) Fold top open, white side down, then pre-fold all creases.

3) Begin forming walls.

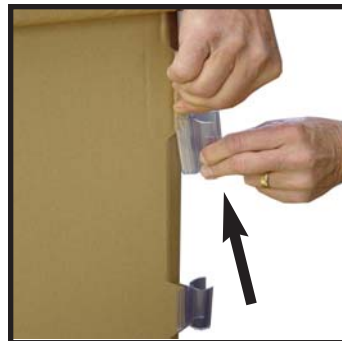

4) Trap adjoining wall flaps between the formed inner and outer wall panels.

5) Wall tabs should lock into top's slots.

6) Place top on base.

7) Pinch pole flap and slide pole holders onto flaps.

8) Slide poles together.

9) Press pole into bottom pole holder.

10) Press pole into top holder and press pole into both holders.

11) Slide sign (not included) into sign holder and place on top of pole.
